Oregon Coast Humane Society: Paving the Way Forward

The “Shirley Wilson Way”* along the front of our shelter is being lined with pavers etched with personal messages from shelter friends and supporters like you, who recognize the good the shelter brings to our community.

Remember a loved one or beloved pet, honor a friend or family member, or simply celebrate a memory. For a gift of \$100, your personalized paver will be inscribed and displayed at the shelter for years to come.

Show your support and help pave the way forward!

*The Shirley Wilson Way was dedicated to long-term OCHS supporter, Shirley Wilson, by her friends in 2019.
